MEMORANDUM FOR: Assistant for Plans and Development

SUBJECT: Rapid Interpretation Printer-Processor  
(Safety Hazards)

1. At the request of the undersigned, [redacted] CIA Safety Officer, checked the prototype Printer-processor which is in the possession of your office.

25X1

2. Definite safety hazards were noted by [redacted] and until these are corrected, the use of this machine cannot be authorized.

25X1

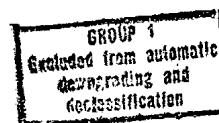

3. The modifications which are set forth in paragraph 4 of "Specifications for Rapid Interpretation Printer-processor" will correct the hazards and comply with the Safety Officers recommendations.

25X1
